

## Expedition Power Kits

**General Directions:** Expedition Power Kits are 1 page graphic summaries of gear needed for a specific type of sport or expedition, such as snowboarding. Choose one of outdoor adventures from your Life list and develop an Expedition Power Kit for the trip. An example can be obtained from Adventure Magazine, May 2007.

**Time:** 2 cycles.

**Deliverables:** Desktop Published Power Kit using In Design, Publisher or a similar software product.
